In Loving Memory of a Devoted Educator . . .

Mrs. Mabel J. Davis

Administrator . . Counselor . . Teacher . . Friend

On December 12, 1977, Reading High School lost one of its most loyal and devoted educational leaders - Mrs. Mabel J. Davis.

During the 14 years she served at the Castle-on-the-Hill as teacher, counselor, administrator, or friend, she touched our lives with her continuous sincerity, perseverance, and exuberance.

To show our unending gratitude and deep appreciation for everything that Mrs. Davis did for us, we, the Class of 1978, dedicate this book to her.

Just as this yearbook will live forever, holding memories dear to us, so shall it be an everlasting reminder of what she did to enrich our lives for the future.

A Year to Remember

Here we are!

Yes, we've finally made it!

For years now we've been waiting for that special moment, the time we could say "This is it, I'm a senior!"

Now we aren't seniors any more, we're graduates. All we have now are the memories. Memories of the tests, quizzes, research papers and report cards; memories of the games, contests, the prom, class trip and commencement, and finally, memories of each other.

We've shared sad times, the passing on of one of our vice principals - Mrs. Mabel J. Davis and of one of our beloved classmates, Joey Borzellino.

But there were good things to recall. Our winning football and basketball teams, our award winning marching band, the spectacular all school show and this, the fiftieth edition of the Arxalma.

These high school days are gone now, nothing more but shadows of the past. Hopefully this yearbook will help each one of you to remember the fun, work, competition and love we shared during our days at Reading Senior High School.

Much luck, success, happiness, and love to you all and remember, *"Don't Stop Thinking About Tomorrow!"*

High School Alma Mater Bids Farewell to a Sincere Educator

Mr. William H. Clouser

Teacher - Vice Principal - Summer School Principal

At the close of the 1977-78 school year, Reading High School lost one of its most loyal educators when Mr. William H. Clouser retired. He spent a total of forty-one years as a teacher and administrator in the Reading School District, beginning as a substitute teacher in 1937, and ending as a vice-principal in charge of twelfth grade in 1978.

Mr. Clouser's first association with Reading High School was as a student when he graduated from the Castle-on-the-Hill in June of 1933. Following his high school graduation, he went on to further his education, and subsequently attended Franklin and Marshall College where, in 1937, he earned his Bachelor of Arts degree, and thereafter he earned his Master of Education degree at the University of Pennsylvania. Later, he attended Temple University where he did additional graduate work.

His first teaching position was at Southern Junior High School covering a period from 1940-1956. He also taught in the Reading Evening High School during the years from 1940 to 1978. His summers were spent as both a teacher and principal of the Reading School District Summer School. He was named vice-principal of Southern in 1956. He remained in this position until 1961. During the following year he was transferred to Reading High School where he served as vice-principal until his retirement at the end of the 1977-78 school term.

Mr. Clouser has also been involved in many school-related and community activities. He was a member of the Administrators' Association of the Reading School District, chairman of the Alumni Assistance Program at Franklin and Marshall College, and a member of Phi Delta Kappa, an honorary education fraternity.

His community service consisted of being an organist and choir director in various city churches for a period of 30 years.

We, the students, faculty members, and friends extend the best of wishes to Mr. Clouser for a happy and prosperous life in the years to come.

Richardson, Member (Completing unexpired term of Mr. Mark L. Smith, who died on December 11, 1977); Mr. Harry P. Storch, Jr., Member; Mr. Vincent J. Storch, Jr., Member; Mr. Larry Miller, Member; Mr. Merle O. Johnson, Member (Completing unexpired term of Mr. Robert D. Storch, who left on December 11, 1977); ASSISTANT—D. Frederick Muth, Esq., Assistant to the Solicitor

Through his close association with the Board of Education, Dr. Jack D. Neal, Superintendent of Schools for the Reading School District has provided us with the message as follows:

Realized by the addition of four new personalities, the Reading School Board during the past year, played an increasingly significant role in establishing a healthy planning environment, that administrative and teachers could work together professionally to provide the students of Reading with a superior educational program.

The superintendent and board focused the effort on the long-range goals of quality education as well as upon the immediate needs of the community's youth. We tried at all times to give the best of our best teachers in the instructional program. There was a definite goal to extend to all students the best and to make possible greater achievements, particularly in the significant fields of reading and mathematics.

The board had a high regard and encouraged the superintendent to lead educational results and supported the superintendent in his efforts to improve the instructional processes, which day by day instructional processes.

The atmosphere of professional cooperation between the important parts of the instructional team is broadened by greater and regular communication between the office of the superintendent and the teachers' association.

In long-range planning, the district has had its thinking directed towards the long-range goals of quality education. It has a strong focus on the need for a high level of understanding of the social and cultural background of the students of the district. In particular, the district has stressed its efforts to the best possible teachers through an improved and more professional teaching process and has provided for those teachers the materials they need.

Progress was made in the establishment of a variety of courses from elementary through senior high school. Reading High School students had a greater selection of course offerings than ever before in history.

The board has encouraged greater administrative productivity by instituting and carefully monitoring administration by objectives programs. It also has worked diligently on a policy manual to codify the district's rules and procedures.

The superintendent's goals, which formed the focal point of the district's long-range plan, stressed strengthening the development and improvement of skills and competencies. They also call for a more careful organization and utilization of the district's resources in such a manner as to stress accountability and efficiency.

By careful pruning, the school board has been able to put together an educational budget that allows for a high level of instruction and improving classrooms. At the same time, it has kept the impact on the property owners of the community at a minimum, particularly in the case of the fact that Reading parents, teachers, officers and administrators should get the best value as well as possible and judicious use of their tax money.

Reading has been one of the outstanding school districts in the state. It is a proud and a successful district. Under the leadership of President Mark L. Brown and the Superintendent of Schools Jack D. Neal, it is an even greater potential for the future.

DON'T STOP

Christine McVie

*If you wake up and don't want to smile,
If it takes just a little while,
Open your eyes and look at the day,
You'll see things in a different way*

*Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here.
It'll be, better than before,
Yesterday's gone, yesterday's gone*

*Why not think about times to come,
And not about the things that you've done,
If your life was bad to you,
Just think what tomorrow will do.*

*Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be, better than before,
Yesterday's gone, yesterday's gone.*

*All I want is to see you smile,
If it takes just a little while,
I know you don't believe that it's true,
I never meant any harm to you.*

*Don't stop thinking about tomorrow,
Don't stop, it'll soon be here,
It'll be, better than before,
Yesterday's gone, yesterday's gone.*

*Don't you look back,
Don't you look back.*

Faculty

Principal Stresses Strong Educational Foundations As the Key to Success

Principal's Message

It is significant that the theme for the 1978 Arxalma, the song, "Don't Stop," coincides with the mutual educational goals shared by many members of our faculty and large numbers of Reading High School students. There is a general recognition that adolescence is not an easy time, rather, it's a growing time, a probing time, a time of adjustment. Many of the problems that arose were solved by the students in concert with administrators and teachers and friends. Our yesterdays may be gone, but in the problems solved and lessons learned, we cannot stop thinking about tomorrow.

Many graduates have found the key to success; others are still searching, and for many, records were made that ultimately, in later adult life, students may not be too proud of.

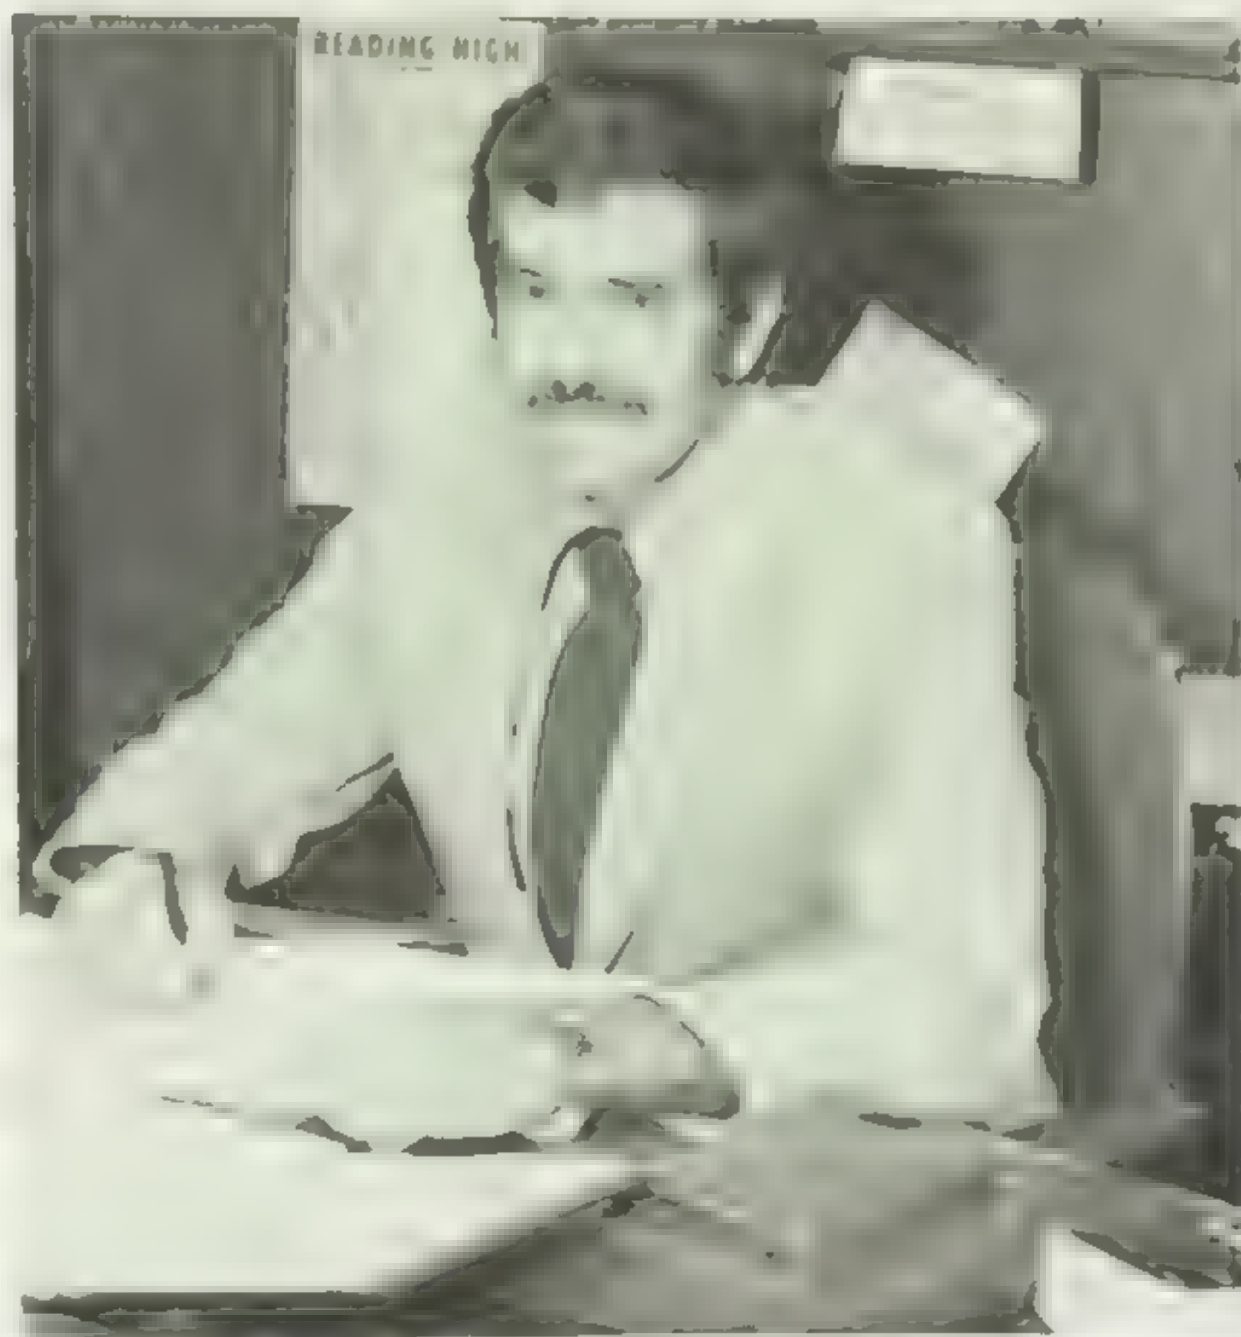

It is a fact of life that students are called upon in their youth to declare what their destinies are to be for a lifetime. Many young people are equipped, with parental guidance, to make these decisions; others defer and never really make calculated decisions but are often victims of the whims and callousness of society.

Our destinies are decided for the large part, when we are young and often not yet equipped to make such far-reaching and important decisions.

The personal foundations built at the Castle on the Hill by students will be lifetime possessions. There will be many strong foundations and, sadly, some weak foundations to face the trials and anguishes of this life.

To the Class of 1978—go on from here what is done is done. Yesterday's gone—don't stop thinking about and planning your tomorrow, just think what tomorrow will do! While facing problems in the future, ponder this thought: When things go wrong as they sometimes will; when the road you're trudging seems all uphill; when care is pressing you down a bit, rest if you must but don't you quit!

Don't quit and don't stop thinking about tomorrow, it'll be better than before. Yesterday's gone, yesterday's gone.

DON'T STOP

Christine McVie

*If you wake up and don't want to smile,
If it takes just a little while,
Open your eyes and look at the day,
You'll see things in a different way*

Don't stop, it'll soon be here,
It'll be, better than before,
Yesterday's gone, yesterday's gone.*

*Why not think about times to come,
And not about the things that you've done,
If your life was bad to you,
Just think what tomorrow will do*

*Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,
It'll, be, better than before,
Yesterday's gone, yesterday's gone*

I know you don't believe that it's true,
I never meant any harm to you.*

Exciting Year Result of the Zeal

Ann M. Calvaresi
President

Class Theme:
"Don't Stop Thinking About Tomorrow"

Today, as graduates of Reading Senior High School we turn our thoughts and attention to the approaching years. We have experienced three excellent years of guidance, training, and education. Most importantly, we have had three years to make serious thoughts and plans for our future education and careers.

The past three years have been a tremendous benefit both academically and socially. We have shared three years of unforgettable fun and excitement. Remember the excitement of the football and basketball games, the pep rallies, the Senior Prom, Senior Party Night, Class Movie Night, the Class Trip and finally Commencement. Strangely enough it doesn't seem possible that three years can be packed with so much fulfillment and yet have passed by so quickly.

I hope all of you feel as I do, that we all worked together to make our class—*The Class of 1978*—stand out as No. 1.

Now, we must pursue our individual goals, but what we have experienced and shared will never be forgotten. We now hold many delightfully fond memories.

I would like to thank our wonderful senior sponsors, for their dedication and devotion to make this year a happy, successful and special time!

As our class theme goes, *Don't Stop Thinking About Tomorrow*, it will soon be here—it is here—make the most of it! Congratulations and Best of Luck to all!

of the Class of 1978*

In reflecting on the three years we the Sponsors, the members of the Executive Committee and the members of the Class of 1978 have spent together, I can say that at one time or another we have shared in many of life's blessings and some of life's sorrows. With the leadership of President Ann Calvaresi and the untiring dedication of the officers and the members of the Executive Committee, the Class of 1978 has involved itself in many different projects, some for fund-raising and others for class unity and enjoyment. There have been a number of activities such as the Senior Movie Night, Party-Night, Senior T-shirt Day, the Class Trip, the Senior Prom, and Post Prom, and finally Commencement, which have made this year a successful and memorable one for each of the members of the Class of 1978.

You light up my life Seniors—and with the theme of your class in the foreground, remember "Don't Stop Thinking About Tomorrow," for each of you in one way or another has the ability to accomplish that which you really want to achieve.

From Mrs. Achenbach, Mr. Frankhouser, Mrs. Hinkle, me—Mrs. C, it is a pleasure to be a part of this dynamic group! We wish you the best things in life.

In Memoriam

Holly Jean Nichols

Born on June 8, 1960

Passed Away on November 13, 1975

The sunshine of her smile the twinkle in her eye the kindness in her voice, made
everyday worthwhile

Her hearty laughter her compassion for others are fond memories of us all.

Although the voice has silenced, the laughter has ended the beauty of this wonderful person can never be bended.

Each Has His Time, Joey: This Time Was For You

The wind called out your name - softly - sweet brother
of mine.

It pleaded for you to come, "Follow me".

It silently whispered your name, "The time for you
has come"

It is dawn now. I rise with the sun.

I don't see you. I realize that it wasn't the wind beckoning
you

to come, but Heaven itself

I awake in the early morning hours and know that you
are gone.

But at least I will know where it is that you have gone. Joey -
You have gone from one life - This life - to another far
more greater indeed. For the life you have entered into
now my brother is truly "Eternal", and that will
never die.

I will not ask why you have gone

Because God has a place for us all.

So I will wait and live the rest of my life on this earth to the
fullest - Just as you did my brother, until the wind in
the night

calls out for me "softly and pleading".

"Come and Follow Me"

I Love You - Sister Toni

In Fond Remembrance

To those of us who knew Joe, he had an unspoken philosophy
of life, *To Live It To The Fullest*

During Joe's two years at Reading High School, he demon-
strated this through leadership by holding various offices in
several clubs through service, by his willingness to help his
fellow classmates through character shown by his honesty and
initiative and through the pride he showed toward his school and
its ideals

Joe, we'll remember you through the examples you set for us.
We miss you.

*If you wake up and don't want to smile,
If it takes just a little while,
Open your eyes and look at the day,
You'll see things in a different way*

*Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here.
It'll be, better than before,
Yesterday's gone, yesterday's gone.*

*Why not think about times to come,
And not about the things that you've done,
If your life was bad to you,
Just think what tomorrow will do.*

*Don't stop, thinking about tomorrow,
Don't stop, it'll soon be here,
It'll, be, better than before,
Yesterday's gone, yesterday's gone.*

*All I want is to see you smile,
If it takes just a little while,
I know you don't believe that it's true,
I never meant any harm to you.*

As in the past eighty years Red and Black, the school newspaper has continued its policy of informing the students and community of "Castle" happenings.

Basically, each edition of the paper included three general areas namely school news, sports, and features. Preliminary work and page make-up was completed in Room 116, the Red and Black room, and printed by the graphic arts department of the high school

For the Christmas season the staff prepared a holiday edition with bi-colored pages and a special issue emphasizing comical articles for April Fools' Day

To coin an old phrase, "With age comes growth and with growth comes progress." This adage is certainly true of Student Council.

Since its birth at Reading High School in 1930, Student Council has been and continues to be changing its approach to meet the greater demands being placed upon it.

When the organization was first chartered forty-eight years ago, it met its first task with no hesitation. That being to establish itself as a liaison unit between the student body and the administration. In this capacity, the students had a voice in their education.

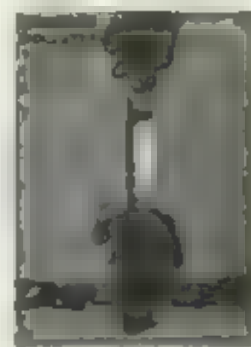

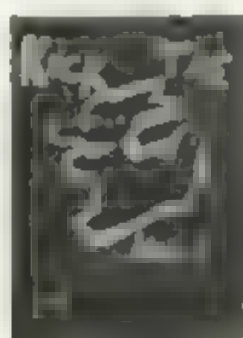

Throughout the year, activities of Student Council were carefully supervised by the sponsor and officers of the organization

Robyn Hoh, secretary; Jeffrey Yoder, vice-president; Mr. Roger N. Mory, sponsor; Kelly Flannery, president, and Jolynne Speece, treasurer.

Expansion of activities was another area in which Student Council has progressed. In addition to their annual projects which included the printing of the student handbook, tours of the "Castle" for the junior high school students, and Youth Day elections, the council joined with school store and Y-teens groups for the purchase of an activity sign for the school. Finally, Student Council sponsored walk-a-thons for various charity organizations, and the Inter-club dance held on April 1, 1978 from 7:00 p.m. to 10:00 p.m. in the Reading Senior High School cafeteria.

One unique activity organized by Student Council was the stop-smoking program. This seminar featured speakers from the American Lung Association and Green Hills Rehabilitation Center. Dates of the program were Monday, November 14 to Friday, November 18, 1977 in Rooms A-354 and A-355.

Basically, the Stop-Smoking program was publicized in advance by the means of a variety of thought provoking posters

Students who intended to major in physical education at college could gain a preliminary background in this field by participating in the Advanced Physical Education elective.

In this unique program, students had to take the mandatory two periods per week of physical education plus five extra periods weekly for their training under the supervision of qualified instructors.

Main objectives of the organization were to help students develop leadership qualities, and to give the trainees opportunities to learn techniques and skills in physical education instruction and related activities. Furthermore, members of this group gained additional experience by assisting the gym instructors in setting-up and dismantling gym equipment.

Advanced aquatic physical education assistants were twelve in number.

Enrollment in Instructional Aide Program Continues to Rise

Supervisor — Mrs. Carole E. Bohn

For the fourth year, the Reading School District sponsored the Student Instructional Aide program at four area elementary schools, namely 13th and Union, 12th and Marion, 13th and Green, and 10th and Green. In this unique activity seniors of Reading High School could gain specific skills and techniques in working with children.

Areas in which these students could later utilize their training were in day care centers, elementary education, social service, and even in their own homes.

Boys as well as girls who participated in this program could earn one or two academic credits according to time served daily.

Unique Elective Serves as Basis for Related Careers

*Librarians — Mrs. Eleanor B. Printz
Mrs. Jean R. Weiser*

This year, as in the past, both the members of the student body and the faculty could go to the Castle library, and be capably assisted in countless ways by the ever helpful library personnel or the student trainees.

For the most part, the trainees consisted of students who wished to prepare for a library career or for a career in a related field.

Throughout the year, the students gained preliminary and advanced training and experience at the circulation desk on the floor and in the work room.

In addition to their regular routine tasks, the students processed new books for distribution, repaired old books, and replaced old newspapers and magazines with new ones.

Mrs. Jean R. Weiser, librarian, demonstrates to new staff members the correct way to shelve books.

During its second year as an organization at Reading High School Chapter No. 1428 of the Future Business Leaders of America has expanded its goals. Original aims of the group were to strengthen the confidence of the students in themselves and their work, and to develop competent, aggressive business leaders. New objectives were to assist students in the establishment of occupational goals, and to encourage individual programs which contribute to the improvement of the home, business and community.

Senior members of the organization consisted of twenty-one girls

ROW 1—Jeannine Reinert, Carol Zawaski, Karen Moyer, Annette Bernhart, Rosemarie Burkart, Phyllis Hunsinger; **ROW 2**—Susan Ahrens, Rayanne Denton, Donna Reinorhl, Joan Hennig, Brenda Phillips, Betty Valore; **ROW 3**—Sandra Bickla, Eva Scholl, Tami Beck, Karen Reber, Danita Hertzog, Kelly Houp, Lisa Rodgers, Michelle Ramer; **ABSENT**—Lisa DeMarlo.

By using money raised by dues, cake sales, and the weekly sales of soft pretzels, the club's major fund raisers, FBLA members were able to enjoy a wide variety of activities including field trips to, and participation in workshops on regional, state, and national levels. Outstanding on-campus activities in which the group showed a special interest involved a banquet to install officers, and the hosting of the regional conclave at Reading Senior High School on Thursday, March 9, 1978. Off-campus, club members took part in the state convention at Host Farms, Lancaster from April 30 to May 2, 1978, and planned to attend the national conference to be held in San Francisco, California on July 1-4, 1978.

Noticeable above all else was the group's dramatic increase in membership from eighteen in 1976-77 to thirty-nine in 1977-78. For the most part, this was due to the organization's great student appeal.

Underclassmen of the organization numbered seventeen.

Organization Makes Plans For Enriching Its Program of Activities

Sponsor — Mr. Ronald C. Dunkelberger

Students who wanted to gain in-depth perspectives as to the responsibilities, opportunities, and rewards of various positions in the medical field were able to gain this information by joining the Health Careers Club. As a result, this group geared itself accordingly in presentations to provide pertinent facts for any student interested in health careers or related fields of specialization.

Supplementing the work done at regular meetings were the planned tours of local hospitals, laboratories, and other medical facilities where students could gain first-hand knowledge of their particular medical interests.

New Organization Emerges On Reading High School Club Scene

Sponsor — Mr. Michael B. Wentzel

Appearing on the club circuit at Reading High School in January 1978 was a new organization known as Aspira.

Major goals of this group were to help club members develop leadership qualities, to encourage further education of Hispanic students in general, and to inspire these same pupils to become more involved in school activities and community affairs.

Since Aspira was activated so late in the school year, few activities have been completed by the organization. However, the club did participate in the Bilingual-Bicultural Awareness Day scheduled for Thursday, May 4, 1978 on Penn Square.

Similar posters to the one shown were used to publicize Aspira's presence on the Castle club scene

School Store Continues To Satisfy Student Needs

Manager — Mr. Jeffrey E. Gattone

Probably the busiest place before and after school during the year was the school store. During these times, numerous students were seen purchasing school supplies or one of the wide variety of refreshments.

As always, the merchandise in the store consisted of items which had great student appeal such as heavy winter jackets and sweatsuits. In addition, the store also sold buttons, stickers, license plates and pennants for the promotion of school spirit.

By working for the school store, student volunteers gained valuable experience in all phases of merchandising

Center Meets Increasing Demands For Thermal Copy Service

Coordinator — Mr. Thurwald Gommer

Headquarters for the distribution of audio-visual equipment was the A-V center which is located in the rear of the library.

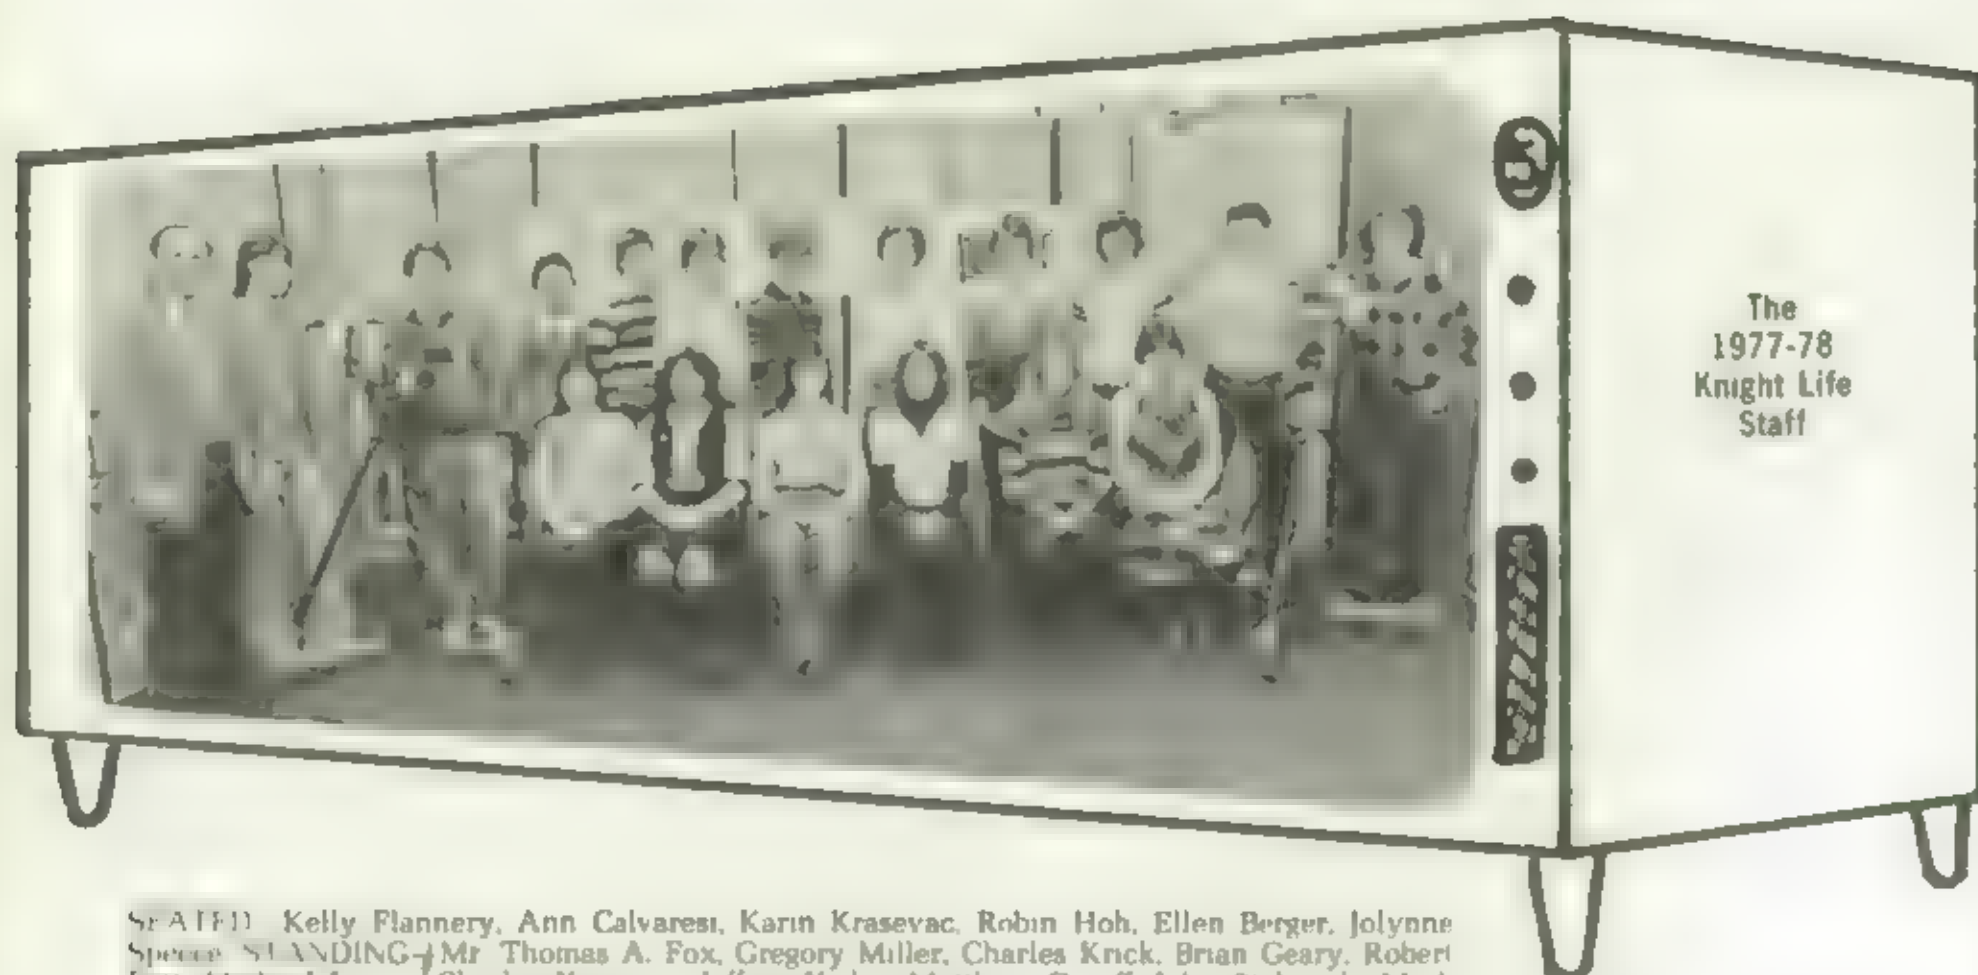

Available daily for faculty and administrative use were record players, movie projectors, tape recorders, films, and filmstrips. In addition, the center also serves as a storage for audio equipment when not in use in the gymnasium, cafeteria, or the auditorium.

Materials on hand for use in the center were copy machines, thermal and duplicating machines, and other miscellaneous aides.

Programs featured were either educational, entertaining or informative, but always interesting in nature. Special telecasts included this year were quiz and the gong show, a show on hair care and cosmetology, a speaking contest, interviews with school administrators.

New on the scene were senior spotlight, interviews with individual seniors; new casting, announcements important to upcoming events in the Castle, and the weekly sports review.

During the school year members of Key Club are kept busy with numerous school, civic and social activities

For the 1977-78 school year the club sponsored the annual Homecoming Queen Contest and conducted fund-raising projects such as cake and Italian sandwich sales. Money collected from these projects was used to purchase an armored knight in memory of senior Joseph Borzellino, an active participant and officer of the club.

Community projects included the March of Dimes Haunted House, WEEU's Radio Auction, plus bingo and Christmas nights for senior citizens.

Although service is the main objective of this organization, social events also played a major part in the club's activities such as dinner meetings at Charles Valley Inn, the annual Leaders Banquet, parties co-sponsored by Key Club and Y-Teens, and participation in the State Convention held this year in Seven Springs, Pa.

For the first time in the club's history, female, as well as male students of the Castle were eligible for Key Club membership.

Officers of the club examine the armored knight which the club purchased in memory of senior and fellow member the late Joseph Borzellino.

Record Number of Nominees Inducted

Character, Scholarship, Leadership, Service

Sponsor — Mrs. Janet Bryant-McIlhenny

Named as the new sponsor of National Honor Society at Reading High School this past year was Mrs. Janet Bryant-McIlhenny. She succeeded Miss Bonnie Brown who served as advisor for one year.

Different procedures were used this past school term in determining bases for membership. Seniors had to achieve a scholastic average of 3.3, juniors needed a rating of 3.5, and sophomores had to obtain a 3.6 average. Each student who met the respective prerequisites had to compile an individual cumulative record of school and community activities in which he or she participated, plus a list of honors and awards earned. Later, these records were evaluated by a five member panel. Candidates who acquired eight points or more qualified for consideration for membership in the Reading High School Chapter of the National Honor Society. Nominees then had to obtain five faculty recommendations to meet the requirements of the national headquarters of the honor society.

During a formal ceremony that took place on April 24, 1978 in the Reading High School auditorium, fifty-seven seniors, seventeen juniors, and twenty-two sophomores were inducted.

Introductory remarks were given by Dr. Richard P. Flannery, principal of Reading High School. Acting as master of ceremonies was Mark Stabolepszy, vice-president. Afterwards, student spoke on the four cardinal principles of the organization. Michael Lessie, president, spoke on scholarship; Rochelle Kauffman, committee chairman of induction, on leadership; Linda Texter, treasurer, on character; and Lisa Krallis, secretary, on service.

First on the agenda was the Christmas program given at Saint Paul's United Church of Christ followed by presentations at the Nativity Church, the Berkshire Mall, and at the Community Carol Service held at Northwest Junior High School.

In addition, the versatile choir sang for the Optimist Club banquet, the Scottish Masonic Lodge, the United Way Recognition Banquet and for special assemblies at the high school including Commencement, Evening School Commencement, and the National Honor Society induction assembly.

Through auditions, five vocalists of the A Cappella Choir qualified for participation in County Chorus

held at Daniel Boone High School on January 28, 1978. These students, Roberta Davis, Frances Edwards, Kenneth Fisher, David Bowman and Ronald Kazmierczak were also selected to participate in the District 10 Chorus held at Hamburg High School on Thursday, February 1 through Saturday, February 11, 1978.

As a result of an audition at the District 10 Chorus Festival, Roberta Davis, Frances Edwards, and Ronald Kazmierczak were eligible to take part in the Region 5 Chorus held at Manheim Township High School on Thursday, March 30 through Saturday, April 1, 1978.

Traditionally, A Cappella Choir provides favorite Yuletide selections in the annual Christmas assembly.

Award Winning Marching Band

With its precision-like strutting, vibrant music, and elaborate formations in its appearances, Reading High School's Marching Band continued to be an award-winning group, and the pride of the school and the community.

As in the past, Reading High School's Marching Band had an eventful season with most of the activities occurring in the fall and spring of the year. For the most part, fall activities consisted of participating in competitive parades on local and statewide bases plus performances during the halftime at Reading High School football games. In the spring, the band had two major activities. First the band and front units entered in parade and field show competition at the Dogwood Festival in North Carolina on April 28-30, 1978. This marked the first time that the Marching Band and Auxiliary Units took part in this festival. Secondly, the combined groups participated in parade competition for the eighth consecutive year at the Apple Blossom Festival in Winchester, Virginia on May 5-6, 1978. Furthermore, the Reading High School Marching Band had the distinction of serving as the honor band in this latter event.

As was true in the past years, Concert Orchestra again continued its three-fold plan of objectives. This being to create a good ensemble experience for students playing orchestral instruments, to expose the students to a wide variety of orchestral music, and to provide a performance outlet for these student musicians

Highlighting this year's playing schedule were performances at Southern Junior High School on February 22, 1978, the Christmas assembly at the Castle on December 20, 1977, the R.H.S. Spring Concert, and the Reading Senior High School Commencement Exercises in the Dr Ralph C. Geigle Complex on June 15, 1978 at 7:00 p.m.

*Central Penn League Champion			

This was a season to remember as the Reading High football team finally got it all together, and decided that this was going to be THE year. Never before had an RHS football squad taken the Central Penn title outright, however, on one occasion in 1949 they ended up sharing it with Steelton.

Ending their best season in ten years, the Big Red Machine finished with an 8-3 record. They scored a total of 238 points, and only gave up 118.

With Coach Clontz at the reins for the third year, the Knights registered three shut-outs. One against Central Catholic 26-0, and they defeated their first league opponent, York 46-0, then for the third consecutive year, they blanked Muhlenberg this time by 42-0.

Besides winning the championship there were several other highlights during the season. First the knights proved themselves by defeating Allen 12-6 on away grounds. This was the first Reading team since 1955 to beat the Canaries, and the first team since 1953 to open with three victories.

Then the knights came tumbling down when they suffered two consecutive non-league defeats from Liberty 22-0 and Easton, 28-7. But the knights bounced back when they beat the 4-1 Red Raiders of Coatesville 19-14.

For the remainder of the season, it was all victories for the knights. They rolled over York 46-0, defeated Harrisburg 33-13, and whipped the Millionaires 30-7. Then came THE game, the one to put RHS football back on the map. The Red Knights met Steelton-Highspire on a cold, snowy Saturday afternoon in Steamroller country. Neither team scored in the first quarter, but in the second quarter Steelton's Albert House scored a touchdown. Reading's offense came right back when Rich Arms scored a TD and Pete Patton with the extra point changed the score to 7-6. In the fourth quarter Steelton scored again making it 13-7. Next, Sam Johnson led a five play sixty six yard drive to tie the score at 13-13. With seven seconds left in the game junior kicker Pete Patton sailed the ball twenty-seven yards through the uprights with two seconds to spare. The score? 16-13 and the first outright championship ever!

Awards were presented to outstanding team members at the annual Big Red Machine Association banquet held on November 30, 1977.

Reading High School's soccer team achieved first place in Division I of the Berks County Scholastic Soccer League. This honor was earned by a 12-7-1 record.

Being Division I champions, Reading was eligible to compete in the Inter-Division Playoffs for the county championships. Last year in county competition, Reading, Division I champs, was defeated by Division II champs, Fleetwood, 5-0. This year in Inter-Division play, Reading closed the gap, losing again to Fleetwood by a score of only 2-1. Although the Red Knights lost in this county competition, they were still eligible to compete in District #3 play. In this game, Elco ended the Knights' further hopes for another title by overpowering the Reading Booters 3-0.

As quoted by Coach Curt Reinik, "We can score, but we're going to be scored upon." Reading High did score, but the scoring upon Reading didn't occur until the fourth game of the regular season. Up until this game, senior goalie Kevin Reichert made a total of thirty consecutive saves before leaving one ship by

As a result of the votes by the coaches of the teams and team captains in the league, Craig Bell, Kevin Reichert, and Daniel Kravatz were selected to the first team of the Reading Eagle All-Berks Soccer Team. Receiving second place honors were teammates George Karayianopoulos, Richard Swalley, and Gurvinderpal Bhogal. Honorable mention was earned by Norbert Knot. Craig Bell was also co-winner of the Most Valuable Player award in Berks County for his outstanding soccer playing.

Besides having a winning season, this was the third year the Red Knight booters earned the Team Sportsmanship Award, an award voted on by the various coaches in the league.

Senior Craig Bell not only broke school, but also county and league records by scoring 37 goals this season (seven in one game). He was also named co-winner of the Most Valuable Player Award of Berks County.

Red-Hot Linksmen Prove Champions On Greens

Coach — Mr. Richard Crist

Reading High School's golf team continued its winning ways under Mr. Richard Crist, second year coach, as they captured the Eastern Division of the Berks County Golf League.

Castle linksmen finished their successful season with a 9-1 record. Their only loss came at the hands of Daniel Boone. Because of Reading and Daniel Boone's identical records, both teams had to play a tie breaking match which Reading won.

Although the Knights won their second consecutive Eastern Division crown, they placed second in the county championship match. This game was between three divisional winners held on October 20, 1977. No Reading golfer qualified for either the district or state competitions.

Veteran and exceptional linksmen Steven Abramowicz, Charles Krick, Leon Kowalski, Gregory McCullough, and Jeffrey Rissmiller led the Knights to their rewarding year.

Careful concentration and expert judgment were two key factors that Matthew Graett utilized to sink another putt.

Distance Runner Breaks Record for Second Successive Year

Coach — Mr. Thomas Johnson

As a team, Reading High School's harriers experienced a frustrating season as a result of a 0-7 record, and a last place position in District I of the Berks Scholastic Cross Country League.

Individual achievements, however, added a bit of sparkle to the season. Top veteran runners Darren Anastasio and Angel Pichardo consistently outran their opponents. In fact, both runners always finished in one of the top five spots. In addition, Darren broke his own course record of 14:50.8, set in 1976, with a 14.45 mark on Reading's 2.8 mile course in Hampden Park. Later, he earned a spot on the Berks County Section I All Star Team.

At the Invitational Meet held at Conrad Weiser on Saturday, September 24, 1977, Reading placed twenty-seventh out of thirty-six teams. Later, at the Muhlenberg Invitational Meet on Saturday, October 1, 1977, the Knights finished fifth out of five Class AAA teams. Individual winners in this meet were Darren Anastasio, who placed second; Angel Pichardo, fourth; and in a separate girls' race, Reading's Wanda Rogers placed thirteenth. At the Conference Run held at Berks Vo-Tech West on October 22, 1977, Reading's squad was still unable to earn an impressive record when the squad was tenth in a field of fifteen competing teams.

Hopes for the better faded when the Red Knights placed twenty-eighth out of thirty-five AAA teams at the District 3 meet held at Hershey. Positions earned by Castle runners in this competition were Darren Anastasio, twenty-second; Angel Pichardo, sixty-fourth; Pedro Rivera, one hundred fourteenth; Armando Pichardo, one hundred twenty-ninth; Martin Flannery, one hundred and forty-second.

No Castle runners qualified for the state meet.

Coach — Mr. Kerry M. Woodworth

By earning a record of 36 wins and 12 losses in season action, Reading High's bowling team captured the Section I title in the Berks County Scholastic Bowling League. Team average was 942.21 for the season. Top individual averages were Jay Rishell's 192.5, which was sixth in the county, and Scott Painter's 187.20, which was ninth.

Reading High Kegsmen earned the coveted coaches' trophy by winning first place in the county tournament. Individually, Scott Painter finished first, in this same event, with a total pin count of 1,657 for a 206 average.

In the playoff for the County Championship, Reading lost to Muhlenberg, Section II champions, by a total of 2,888 to 2,815.

Girls' Field Hockey Squad Size Continues to Rise

Head Coach — Miss Debra D. Klink
Junior Varsity Coach — Mrs. E. M. Vasilia Hinkle

Since the 1973 season, there has been a steady increase in the number of girls participating in field hockey. In fact, in this five year span, the team has increased in size from approximately twenty-nine to forty-six, thereby making it possible to have a varsity as well as junior varsity team for the past four years.

Although the season proved to be an unsuccessful one for the varsity as a result of a 0-13 record, the picture for the junior varsity squad was brighter with a 5-7-1 record.

Highlighting personal achievements on the varsity squad were the one-hundred and eleven saves made by Red Knight goalie Lynda Adams, a two-year veteran.

Worthy of note on the junior varsity level was the fact that of the five games won, four were earned on foreign soil.

During one of the games, seniors Kim VanCampen and Robin Patton maneuver into position to receive a push-in from a teammate. Reading, opponent. Robin Patton, Reading. Kim VanCampen

Junior Nancy Rahn demonstrates her skill as she reaches for a low return.

Coach — Miss Linda Covert

Contributing to a none too impressive season in girls' tennis this past year was the small turn-out of candidates in combination with depth of experience. This was evident by the fact that the entire team consisted of only seven girls, those being four returnees and three rookies.

During the season, the top three singles winners were (in order) Nancy Rahn, Debra Dersh and Sandra VanBuskirk. Nancy Rahn, the top ranked player on the team, was selected to play in county singles competition. She played the tournament at Exeter High School where she earned quarter-finalist position. She also competed in the District III singles held at Hershey, Pennsylvania, but was defeated in first round action. Her final seasonal record was 5-5-1.

In doubles action, the team consisted of Nancy Rahn and Marcia Berman plus Debra Dersh and Sandra VanBuskirk. Debra and Sandra were active in the county finals where they advanced to the quarter-finals. As a result of their success in that competition the twosome was eligible to play in District III doubles at Hempfield High School where they continued on to second round competition. Their overall seasonal record was 9-2-0.

During the season, the girls won three matches. Coincidentally, these matches were won by identical 4-3 scores. They were over Conrad Weiser and Twin Valley on the Hampden Park site, and Twin Valley on the opposing courts at Twin Valley.

Castle Mermaids Break Two Records

Coach — Miss Kathy Moore

This year the team had a new coach. Succeeding Mrs. Ruth Hartman as swimming mentor this past year was Miss Kathy Moore.

Outstanding achievements were made by Michelle Holland, Lori Pingitore, and Lisa Pingitore who greatly helped the team's winning ways by accumulating the most points the entire season which were 104, 99, and 96 points, respectively.

Posting records during the season were Michelle Holland who swam the 100 yard backstroke at 1:08.4, and Lisa Pingitore who swam the 100 yard butterfly at 1:00.67. These records qualified both girls for the Central Penn Swim League All-Stars. In addition, Lisa received Honorable Mention at the State meet for her achievement in the butterfly stroke.

In diving competition, Kathy Miller, a four year veteran, scored a record of eight first places, and two second places. She finished with fifty-six points and was entered in district competition.

Castle Ladies Qualify for

Varsity Coach — Mr. Robert Heebner, Jr

For the second year in a row, the Lady Knights earned the privilege to participate in intra and inter-league playoff action in their four year league history.

In the first round playoff game against Cedar Crest, the Castle Ladies narrowly edged the opponents 49-47 with Mickey Frey's 20 foot jump shot from the corner in the last seconds of the game. As a result of this victory, our team qualified to play in the semi-finals against Lancaster. Reading's loss eliminated the Castle Ladies from further competition.

Much to the surprise of many followers, the team advanced further then years before. Contributing to their success was the continuous determination and skill demonstrated by team members in the contests.

This season marked the third year that Reading High School girls participated in the Berks County Girls' Softball League Western Division Section I.

Highlighting the regular season was Brenda Frey's record of pitching fourteen strikeouts in seven innings against the Governor Mifflin squad. Earning top honors in hitting this year was sophomore Cynthia Dunlap.

As a result of an expanded schedule, the Castle ladies opened the season with four non league opponents namely Brandywine High School, Mount Penn High School, Oley Valley High School and Daniel Boone High School.

League contests were with Wilson High School, Governor Mifflin High School, Conrad Weiser High School, Muhlenberg High School, Hamburg High School, Exeter High School and Schuylkill Valley High School.

Because of the team's seasonal record of 13 and 1, Reading qualified to play in the Sectional playoffs against Conrad Weiser and the Division playoffs at Morgantown.

Organization Grants Awards For Active Participation

Promotion of varsity and intramural athletics as well as stimulating individual sports participation and sportsmanship among girls were the major aims of the Girls' Athletic Association.

Three varsity and six intramural sports were sponsored by G.A.A. this past year. Included in the former group were basketball, softball, and swimming. In the later category were tennis, volleyball, table tennis, archery, swimming, and dancing.

Various degrees of recognition based on point values earned in athletic activities or service in related non-athletic activities were granted in the form of awards and were presented at the annual banquet held at the end of the year.

Basically, credit towards awards were earned in athletic activities, but could also be earned in non-athletic activities such as serving refreshments at home basketball games.

During an informal meeting, G.A.A. officers prepare tentative plans for future activities of the organization.

Robin Patton, president; Donna Coyle, vice president
ABSENT—Sue Deibert, secretary

Members of the organization could earn additional points towards their awards by serving at the refreshment stands during basketball games.

Fall Sport Changed to Spring Activity

Large table tennis competition took place every Tuesday and Thursday in the remedial gym.

Debbie Dersh starts volleyball action with a smashing serve.

Coach — Mrs. Ruth Hartman

Since intramural tennis was changed to the Girls' Athletic Association's spring program, only two fall intramural sports were sponsored by this organization, namely volleyball and table tennis.

Serving as the introductory activity was volleyball. During the season, games were held twice a week in the new gym. Shortly thereafter, table tennis was offered. As in the previous sport, it was also held two nights a week, but the matches were held in the remedial gym.

Sophomores Lynn Weber and Lyn Jones were one of many doubles teams formed to challenge other opponents.

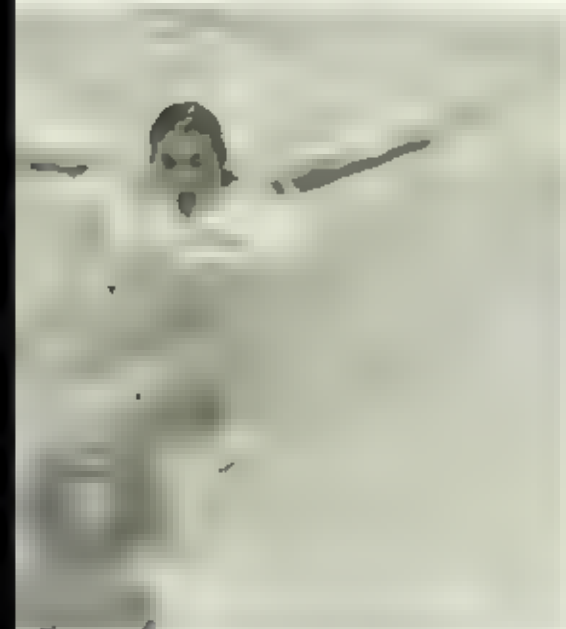

During the season, the volleyball contests were filled with thrills and excitement.

In an attempt to continue play, Brenda Frey utilizes the dig.

Rain Forces Postponement of Homecoming Festivities For the First Time

Sponsor — Mr. Ronald L. Spickler

From 1971 to the present, the Homecoming Queen contest has been sponsored by Key Club. This year seventeen candidates competed for this title, namely Debra Gaul, Key Club; Jolynne Speece, Castle Spirit Club; Cathy Foster, Reading Youth Education Association; Kathleen Fisher, Science Club; Kelly Flannery, Student Council; Sandra Bickta, Marching Band; Francine Diego, Y-Teens; Tracy Robinson, BaBa-Na-KaKa Club; Denise Ernes, Outdoor Club; Ellen Berger, United Nations Club, Robin Patton, Girls' Athletic Association; Ann Calvaresi, Debating Club; Brenda Philips, Future Business Leaders of America; Kathleen Capone, German Club; Donna Salvatore, Chess Club; Janice Heffner, Ski Club; and Susan Baker, Serve Our School Club

Means used to select the queen was by popular vote. On the first ballot, each student cast votes for three candidates. Five of the girls receiving the highest number of votes qualified for the semifinals. Candidates on this ballot were Sandra Bickta, Ellen Berger, Kelly Flannery, Tracy Robinson, and Donna Salvatore. As a result of a majority vote, in this contest, Ellen Berger earned the title of Homecoming Queen with Tracy Robinson succeeding in the runner-up position.

Because of a downpour on October 14, 1977, the original date for Homecoming festivities, the event was postponed until the Reading-Harnsburg football game on October 28, 1977. During the halftime of this game, the newly crowned homecoming queen and runner-up were announced to the public.

Highlight of the Homecoming activities was the crowning of Miss Ellen Berger, U. N. Club, as the queen for the year by Marianthe Dalaveris, last year's queen

Appropriate Dedication
Extended
To A Special Person

"Mame" was the eleventh Broadway musical presented on the Reading High School stage. It was also the eleventh Broadway spectacular in which the dedication to Mrs. Betty Owen Hand was instituted.

By undertaking a collection of responsibilities - choreographer, property chairman, stage manager and the director's right arm, it's easy to see how she became affectionately known to all those involved as "Mom".

Even after her retirement from active teaching in 1977, Mrs. Hand continued to return during afternoons and evenings rendering her valuable assistance in presenting another tremendous show.

Because of her devoted contributions to the theatrical advancement of Reading High School, the students and staff of "Mame" lovingly dedicated this year's All School Show, and all that went into it, to Mrs. Betty Owen Hand.

Reading High School extends to Mrs. Hand, a sincere and everlasting invitation to continue to give to the Castle-on-the-Hill each year her enthusiastic determination and creative talent.
